YUKIBANA
ゆきばな

Alpine mornings at Yukibana are greeted by the soul-warming whiffs of handcrafted bakeries and creative local and international breakfast offerings. An exquisite collection of Hokkaido's natural bounty graces the table in the evenings. Crafted from seasonal local produce, seafood and the most exclusive cuts of meat all sourced from the local farmers and purveyors, every creation tells of a compelling story that celebrates the destination's culinary heritage.

SUSHI NAGI
寿司なぎ

Culturally-ingrained in the history of Japanese cuisine, the fine art of sushi is masterfully showcased by our Itamae through Omakase style dining, where his artistry is distinct in the delicate pieces he creates at Sushi Nagi. Let our Itamae lead you on an oceanic journey while you immerse in the breathtaking views of the champagne powder snow or a blooming summer garden.

UME LOUNGE
うめラウンジ

The Ume Lounge exudes warmth and elegance with its contemporary and natural design elements inspired by the nature that surrounds the resort. Unwind by the cosy fireplace with a classic cocktail customised by our alpine mixologist or a locally brewed beer accompanied by an eclectic array of Izakaya style dishes to be appreciated at your own time over inspiring conversations.
